

Erin McKinney

CAREER OBJECTIVE

Video coordinator with four years of Power 5 and WNBA experience looking to connect with a team that is or is on its way to becoming a national championship contender.

CORE COMPETENCIES

- Detailed and organized
- Effective and efficient under pressure
- Synergy and SportsCode
- Advanced analytics and statistics

OPERATIONAL EXPERIENCE

Manager of Video and Equipment, *Seattle Storm;*

March 2016-present

Manage all aspects of video and equipment for the Storm. Daily responsibilities include breaking down game and practice film, preparing personnel scouting reports for upcoming games, tracking statistics and updating the statistics database, and overseeing all equipment needs. Practice responsibilities include managing film needs, keeping statistics, passing, and rebounding. Game responsibilities include overseeing all aspects of film and tracking statistics in-game.

Video Coordinator, *Indiana University – Bloomington;*

September 2014-present

Responsible for video scouting, personnel reports, filming and breakdown of all practices and games, and statistical analysis. Also design and produce highlight videos and promotional materials for use on social media and as a recruiting tool.

Basketball Operations Intern, *Seattle Storm;*

May 2014-August 2014

Aided in daily operations of the Seattle Storm. Practice responsibilities included keeping statistics, passing, and rebounding. Pre-practice and office responsibilities included assisting with laundry, per diem, and scouting reports and film work. Game responsibilities consisted primarily of video coordination. Upgraded video process to allow for local capture and live tagging using Synergy while game is in progress.

Graduate Assistant Coach, University of Wisconsin – Whitewater;

August 2012-May 2014

Assisted with individual and team development on the court and in the classroom, managed film exchange and film breakdown, prepared and presented scouting reports, recruited student-athletes to UW-Whitewater, led the junior varsity program, and aided student athletes with affairs.
